

You don't need a traditional agency budget to get big results.

Hire an entire senior-level marketing team for the price of a marketing director.

Building your own team of top talent comes with a hefty price tag, and that isn't always affordable when you are an SMB technology company. Peer works as an extension of your team, much like having your own fully staffed marketing department—but at a savings of up to 80%.

About Peer.

We're a multi-disciplinary, highly motivated team of salespeople, marketers, advertisers, writers, and designers wholly **focused on helping small businesses grow their revenue.**

Now, it's important to understand we're **not your typical marketing agency.** In fact, we believe we're the first of our kind. We're actually a sales agency that uses marketing to help our clients close more deals. To us, the sales process is magical and it's the driving force behind everything we do.

It starts with a **simple but holistic approach.** We get to know you, your business, your customers, competitors, and even employees. This approach infuses our solutions with a strategic purpose, which, in turn, **delivers you impactful and quantifiable results month after month.** In other words, we'll give you everything you need to **shatter the expectations of your clients and the hearts of your competition.**

So drop us a line. **We want to be more than just your agency.** We want to be a partner, colleague, confidant, **peer.**

We're ready. Are you?

200% growth in 6 months

"Changed everything for us! We called Peer to help us refine our marketing strategy, but they ended up playing a key role with marketing, sales, ops, and overall financial reporting. It's like we added a hands-on board member. So glad we pulled the trigger."

Brian Huddleston, Head of Sales

Finally, an agency who understands SaaS

"The traditional agency model of brand first, sales second doesn't meet the needs of our business. We chose Peer because it was very obvious they understand SaaS and how 'buyers' today think."

Steve Dugger, Co-founder
